Notes:

1. This table sets our targets, at various points within the 15 working day response period, for completion of key steps in the process of handling an FOI request.
2. Each FOI request is different, so not all of these actions will be required in each case – some will be much simpler – and sometimes actions will be completed earlier or later than the targets in this table. However, it is always important to allow sufficient time for Decision Makers, etc. to clear FOI responses before expiry of the 15 working day deadline.
3. For any request, it is essential to start looking at it as soon as it is received, to assess what work needs to be done and to plan that work so that the request is answered on time. This table is intended to help with that planning.

ANNEX E

FREEDOM OF INFORMATION REQUEST FORM

IMPORTANT – Please read this information carefully before you complete the FOI request form. Once you have completed your request we **strongly advise** that you keep a copy for your records.

What is Executive Order No.2 s. 2016?

On July 23, 2016, President Rodrigo Roa Duterte signed Executive Order No. 2, also known as the Freedom of Information (FOI) Executive Order (EO). It upholds the constitutional right of people to information on matters of public concern.

The Executive Order covers all government offices under the Executive Branch, including government-owned or -controlled corporations (GOCCs) and state universities and colleges (SUCs). It requires all executive departments, agencies, bureaus, and offices to make public records, contracts, transactions and any information requested by a member of the public, except for sensitive information and matters affecting national security.

What is Freedom of Information?

The FOI EO is an important enabling mechanism to promote transparency in the government's administrative process. Through FOI, citizens are empowered to make a formal request to get information held by the government, barring certain sensitive and important data related to the nation's security. The FOI complements continuing proactive information disclosure efforts where agencies are duty-bound to publish information in the spirit of openness and transparency.

Freedom of Information is an integral element of President Duterte's Good Governance Plan aligned to reforms and initiatives that pursue greater transparency, accountability, and citizen participation in governance.

Who is overseeing the implementation of FOI Executive Order No. 2?

The Office of the President through the Presidential Communications Operations Office (PCOO) is over-seeing the implementation and operationalization of the FOI program. PCOO is also responsible for monitoring compliance and performance of all government agencies.

MAKING AN FOI REQUEST

Who can make an FOI request?

Under the FOI EO, any Filipino citizen can make an FOI request. As a matter of policy, requesting parties are required to present proof of identification (e.g., passport, driver's license, SSS ID, voters ID) in the submission of an FOI request.

Which agencies can I request information from?

An FOI request can be made to any government office under the Executive Branch, including but not limited to the national government and all its offices, departments, bureaus, offices, and instrumentalities, including government-owned or controlled corporations, and state universities and colleges.

What is the procedure for making a valid FOI request?

To make a valid request, you must:

- Place your request in writing. Ensure to state your full name, contact information and provide a valid copy of your government-issued ID as proof of your identity. You can use the attached form or send a letter detailing your request submitted directly to the concerned agency or by email;
- Describe in detail the documents you wish to access; and
- Include the preferred mode of communication in order to be alerted about the status of your request, as well the preferred mode of receiving the documents, should your request be granted.

FEES

How much does it cost to make an FOI request?

There are **NO FEES** for making an FOI request. An agency however, may charge a reasonable fee for necessary costs associated with processing a request - including costs of printing, delivery, reproduction and/or photocopying.

NOTE: Use of this FOI request form is optional. Any written format for a Freedom of Information request is acceptable.

Code: <u>FOI</u>	Revision No. <u>0</u>	Effectivity: November 25, 2016	Page 34 of 42

PROCESSING TIMES

When can I expect to receive a response to an FOI request?

Under the FOI EO, the standard processing time is fifteen (15) working days. During this time, you will be contacted regarding your FOI request through your preferred mode of communication.

If your request is granted, you can expect to receive the documents either through regular mail or email, or be requested to collect the documents at the office you had applied to. Otherwise, the agency will explain why your request is delayed or denied.

Can an agency request for a time extension?

In some cases, an agency may need more time to review your request and thereby inform you of an extension of processing period. Under such circumstances, an agency is permitted to extend an additional twenty (20) working days should the need arise.

Can I have my request expedited?

There is no process by which requests can be expedited. All requests will be reviewed equally on a case-by-case basis and allotted the fifteen (15) working day processing period from the time of receipt.

COMPLAINTS HANDLING

What if you are not happy with how the agency has handled your request?

Denial of any request for access to information may be appealed to the person or office next higher in the authority, following the procedure indicated in the Agency FOI Manual; provided that the written appeal must be filed by the same person making the request within fifteen (15) calendar days from the notice of denial or from the lapse of the relevant period to respond to the request.

The appeal will be decided by the person or office next higher in authority within thirty (30) working days from the filing of said written appeal. Failure of such person or office to decide within the afore-stated period shall be deemed a denial of the appeal.

Upon exhaustion of administrative appeal remedies, the requesting party may file the appropriate case in the proper courts in accordance with the Rules of Court.

IMPORTANT INFORMATION

Privacy

Once deemed valid, your information from your application will be used by the agency you have applied to, to deal with your application as set out in the Freedom of Information Executive Order No. 2.
